

# How does your favorite restaurant rate?

There are approximately 3000 restaurants in Multnomah County, about 350 in east Portland.

Multnomah County Health Department Environmental Health Specialists conduct unannounced inspections of food service establishments. These inspectors ensure food safety by evaluating food worker habits and practices, where food comes from and how it is stored in the restaurant, how food is prepared and cooked, and cooling, holding and reheating temperatures.

Inspectors report observed violations that are not in compliance with Oregon Revised Statute 624 and Oregon Administrative Rule. This law and these rules are designed to identify violations that can contribute to food-borne illness.

Priority violations unable to be corrected at the time of the inspection must be corrected within 14 days and verified by a re-inspection. A safe, alternative procedure must be in place until the final correction is completed.

A restaurant must receive a score of 70 to pass the inspection. Re-inspections are not scored. Customers will find a placard on the restaurant entrance that indicates if a facility passed the last routine health inspection.
